Founders' Cup Award

Chapter/Colony

School

Person Submitting Application

Phone Number

E-mail Address

The Founders' Cup is presented annually to the active chapter/colony deemed to have the best member education program. The traveling trophy is over 30 inches in height and is awarded to the active chapter/colony program that best provides scholarship, religious, leadership, personal and social skill development programs and activities for active and associate members alike which add to the educational value of chapter life.

The membership education chairman should present an executive summary describing the initiatives and programming conducted for new and existing members. If a program was developed or revised during the year, a copy of the material should be included as supporting documentation. It is not necessary to copy previous efforts in creating local documentation, only new or revised materials. Initiatives and programming to encourage understanding of the scriptures is essential in addition to a list and description of church-related educational support programming. A list of guest speakers and a summary of their presentation is also pertinent.

**Applications and supplemental materials are
due January 16th, 2010, at registration for the
National Convention.**
