The Hingst Award is presented annually to the active chapter/colony that exhibits the top scholastic achievement in the National Fraternity. The award is named for W. John Hingst, an alumnus of Beta Chapter, who served as National President from 1952 to 1967. The chapter or colony receiving this award will receive a \$1,000 grant.

Scholastic achievement involves both the chapter's cumulative grade point average and programming that made the attainment of that GPA possible. Criteria for the Hingst Award is as follows:

1. Attach the official IFC/college grade reports from the 2008-9 academic year.
2. Attach your chapter/colony scholastic programming for both associate and active members. This includes information on grade rules, the chapter test file system, the computer room system, etc. An executive summary from the Scholastic Chairman should describe your scholastic programming and improvements to the chapter/colony GPA. A list of the past three years of academic results and fraternity rankings is useful in summary form for trend analysis.

**Applications and supplemental materials are due January 16th, 2010, at registration for the National Convention.**
